Renters Insurance Now Available to You

Hunt offers Renters' Insurance to all residents!

For residents who are under a 2015 lease agreement, your coverage will simply switch from the current provider to Hunt. This opportunity allows us to provide, or continue providing, coverage of your personal property renters' insurance, at no additional cost to you.

Please visit with our property website for the latest brochure and information.

As with all policies, Hunt highly recommends that you purchase your own personal coverage for your household as some household items and accidental activities may not be covered.

Spring Cleaning Safety Tips

Ready to tackle a few spring cleaning chores?

Don't try to do it all in one day. It's hard to stay safe when you're tired or rushed.
Lift properly - keep your back straight and lift with your legs. Or find a buddy!
Be cautious using ladders and step stools.
Follow cleaning product safety information. Read the label and use as directed.
Keep cleaning buckets out of reach. A child can drown in a few inches of liquid.
Clear away clutter to avoid trip hazards.
Check your fire extinguisher.
Replace smoke and CO detector batteries.
If you have questions about your detectors, please contact maintenance.
