OCTOBER IS ENERGY ACTION MONTH

Get ready to power up and make a difference in our community! October is officially Energy Action Month, and we're excited to invite you to join us in taking meaningful steps towards a more sustainable and energy-efficient future.

Every small action counts, and together we can create a lasting impact on our environment and on reducing energy costs. Here are some simple yet powerful ways you can participate in Energy Action Month:

- 1) **Turn Off and Unplug:** Be mindful of turning off lights, electronics, and appliances when not in use. Unplugging chargers and devices can make a significant difference in reducing energy consumption.
- 2) **Optimize Thermostat Settings:** Adjust your thermostat to conserve energy. Lower the temperature in cooler months and raise it in warmer months to save on heating and cooling.
- 3) **Conserve Water:** Report any leaky faucets and take shorter showers. Every drop saved helps in conserving this precious resource.
- 4) **Switch to LED Lights:** Replace traditional light bulbs with energy-efficient LED bulbs. They last longer and consume less electricity.

Join us in this exciting initiative to make a lasting impact on our environment and reduce our collective carbon footprint. Together, we can create a more sustainable future for our families and generations to come. For more energy conservation tips, visit <https://www.huntmilitarycommunities.com/resident-resources>. Let's shine a light on energy efficiency and show our neighbors what we can accomplish together!

GOOD NEWS STORIES

We are excited to report that you will see work in (2) playgrounds in the coming days! The park located on Outer Octagon and East Park near the 500's will be getting the necessary repairs and installing mulch. We anticipate completion within 2 - 3 weeks. We have made the decision to remove the park located at Northwest Drive near the 400's half circle and add to the overall greenspace.
