COMMUNITY REMINDERS

Hunt Resident App and Online Portal

Did you know that in addition to making payments and accessing important leasing documents, you can use the app and portal to submit routine maintenance requests?

- **Important Reminder:** The Online Portal and Mobile App should only be used for routine work orders. For emergency or urgent maintenance requests, please contact our office directly at (830) 483-9900—available 24/7.
- **Track Maintenance Requests:** You can view your open work orders and the history of completed requests directly in the app.
- **Avoid Duplicate Requests:** If you submit a new work order for an issue that's already open, the new request will be canceled and merged with the existing ticket.

We're committed to completing your work orders as quickly as possible. If you have questions about an open or recently completed request, please call our office or connect with your Resident Service Specialist for updates and additional information.
